

OCRE Maritime Operations

OCRE employs and sources maritime personnel for the offshore industry. We are well recognised by our clients for our quick solutions, quality, capacity, cost control and international personnel solutions. If necessary we take care of all aspects of the maritime operations: logistic support, booking tickets, transport, training, certification and education, PPE, contacts with projects/vessels/agents, administration, visa and flag state documents. We offer payroll solutions and work with local sourcing companies.
